

The FamilyWize Prescription Savings Card can help everyone

The Uninsured

Individuals and Families who:

- Have no insurance
- Aren't covered by a family member's insurance

Employees who:

- Work for businesses that don't offer insurance
- Have declined coverage
- Work part-time
- Are laid off and not on COBRA

The Underinsured

Individuals and Families who:

- Have high deductibles or waiting periods
- Need medication not covered by their plan
- Have a co-pay higher than the FamilyWize discounted price
- Are on a limited or catastrophic plan

Employees who:

- Have high deductibles or waiting periods
- Need medications not covered by their plan

Seniors who:

- Are in the Medicare Part D "Donut Hole"
- Aren't enrolled in Medicare Part D
- Are enrolled in Medicare Part D Prescription Plan without a MediGap plan

Who: Everyone! Whether you are insured or uninsured, if you have high medication costs, FamilyWise can help you save on prescription medication. There's no registration or eligibility criteria required.

What: Savings! FamilyWise helps ensure you get the best price on your prescriptions. It's just smart shopping!

Where: Nationwide! Over 60,000 pharmacies nationwide, including all the major chains.

When: Immediately! The card can be used immediately, with no registration required.

Why: Healthier families and communities! FamilyWise helps ensure you get the best price on your prescriptions. Your good health matters!

How It Works:

1. Get your free card – **available three different ways:**
 - **Print** your card from familywize.org
 - **Download** the FamilyWise app on your smartphone
 - **Call** FamilyWise at 800-222-2818 to have a card mailed to you
2. Show your pharmacist the FamilyWise card every time you fill a prescription
3. Get the lowest price possible – from FamilyWise, from the pharmacy, or from your insurance

FamilyWise also provides a free **Drug Price Lookup Tool**, available on the app and on familywize.org – use it to search local pharmacies for the lowest FamilyWise price on your prescription!
