Our new 365 Small Business Circle is a unique recognition system designed for small businesses. Providing new marketing and outreach methods, while supporting programs that build a stronger community and customer base, the 365 Small Business Circle is built to suit your needs on your terms.

All you have to do is choose a donation amount of at least \$365 (just a dollar a day), and watch your business impact the lives of those in our community. Your membership in this program helps in the areas of health, education, and financial stability in Steele County. You can pay out your pledge in a single payment, quarterly, or monthly. We are here to work with you and ensure that we build a stronger Steele County **TOGETHER**.
